

DS440NB

SATELLITE DIGIBOX FOR BSKYB

Technical specification

STYLISH SATELLITE SET-TOP BOX TECHNOLOGY

The DS440NB is the latest generation of Pace's satellite Digibox for BSkyB in the UK.

Building on Pace's long-standing relationship with this operator, the DS440NB delivers the highest quality MPEG-2 standard definition video, together with interactive services, such as pay-per-view (PPV), home shopping and online games.

This latest set-top box is now available with a new, cosmetic look, which has been specifically designed for BSkyB to fit with this operator's range of digital set-top boxes.
